

Rydal Hall Covid-19 Infection Action Plan

Please Do Not Visit if you are showing any symptoms of Covid-19

However, it may occur that you develop symptoms of Covid-19, (a high temperature, new continuous cough and or a lack of taste or smell) after your arrival as a guest with us,

If this happens please follow this simple procedure:

1. Immediately, confine yourself and members of your family to your room/s
2. Immediately, inform a member of the reception team by telephoning the on-call number or office numbers, to report you that you may have the virus.
3. Please, identify to us any, member of staff who you have been in contact with for more than 15 minutes and who you have not been socially distanced from.
4. At the earliest opportunity, vacate the premise and get tested for the virus in your local area.
5. Please inform us whether you have tested positive or negative.
6. If you develop symptoms of Covid-19 two days after returning home please contact us to let us know, and if possible identify any guests or member of staff you have been in contact with for more than fifteen minutes and who you have not been socially distanced from.
